

Esmanur Durak

Jr. 3D Artist | Game Art & XR Projects
Izmir, Turkey | esmaanurdrk@gmail.com
ArtStation | LinkedIn | GitHub

Profile

Junior 3D Artist with hands-on experience in XR and game development projects. Skilled in modeling, texturing, and optimization with a focus on immersive environments. Strong teamwork and problem-solving abilities, proven through national TÜBİTAK projects and industry internships.

Work Experience

Rapsodo Studios (3D Game Artist) April 2026 – Present

Boombit – Skyloft Gaming (3D Generalist Intern) Feb 2025 – June 2025

MCBU Computer Application and Research Center (3D Artist Intern) Oct 2024 – Feb 2025

XRLAB – Extended Reality Laboratory (3D Artist Intern) July 2024 – Oct 2024

Selected Projects

- VRGeomatik (TÜBİTAK 2209-B) – Developed an interactive VR-based educational module for high school students.
- EdufyPortal (TÜBİTAK 3501) – Created and optimized 3D assets for immersive learning environments.
- MetaCBU – Contributed to modeling and texturing optimized assets for VR environments.
- EVRECA (Educational Virtual Reality Campus) (TÜBİTAK 3501) – Worked on 3D modeling team to build immersive XR campus environments.

Technical Skills

- 3D Art: Blender, Substance Painter, Photoshop, Krita
- Game Engines: Unity, C# scripting
- Animation: 3D Animation, 2D Animation (Unity Sprite Editor)
- Collaboration & Tools: GitHub, Agile basics, Teamwork

Soft Skills

- Team Collaboration
- Problem Solving
- Adaptability
- Time Management

Education

Manisa Celal Bayar University – Vocational School of Technical Sciences
Computer Programming (GPA: 3.49 / 4.00), 2023 – 2025

- Board Member & Design Team Leader, Game Development Club (organized game jams, mentored peers)
- Design Team Member, Data Science Community
- Recipient of TÜBİTAK 2209-B University-Industry Collaboration Scholarship

Languages

Turkish: Native
English: B1 (Intermediate)
